

Your DNA is Not Your Destiny

Epigenetic Healing Cycles

This certificate is awarded by K-Power® Global Health and Fitness as evidence of participation in the above workshop, approved by the International College of Professional Kinesiology Practice: to develop skill and understanding in epigenetic theory, epigenetic modulation, the role of universal fears, job stress and relationship issues in physical and mental stress and chronic illness; the use of the Stress-tolerance, Vesuvius, Lymphatic Flush, and Self-soothing points, and Chinese Chi cycle in relieving human suffering.
